

In questa cartella troverete un vocabolario di base  
legato al tema del Natale organizzato attraverso  
il sistema della semantica colorata (ideato da Alison Bryan).

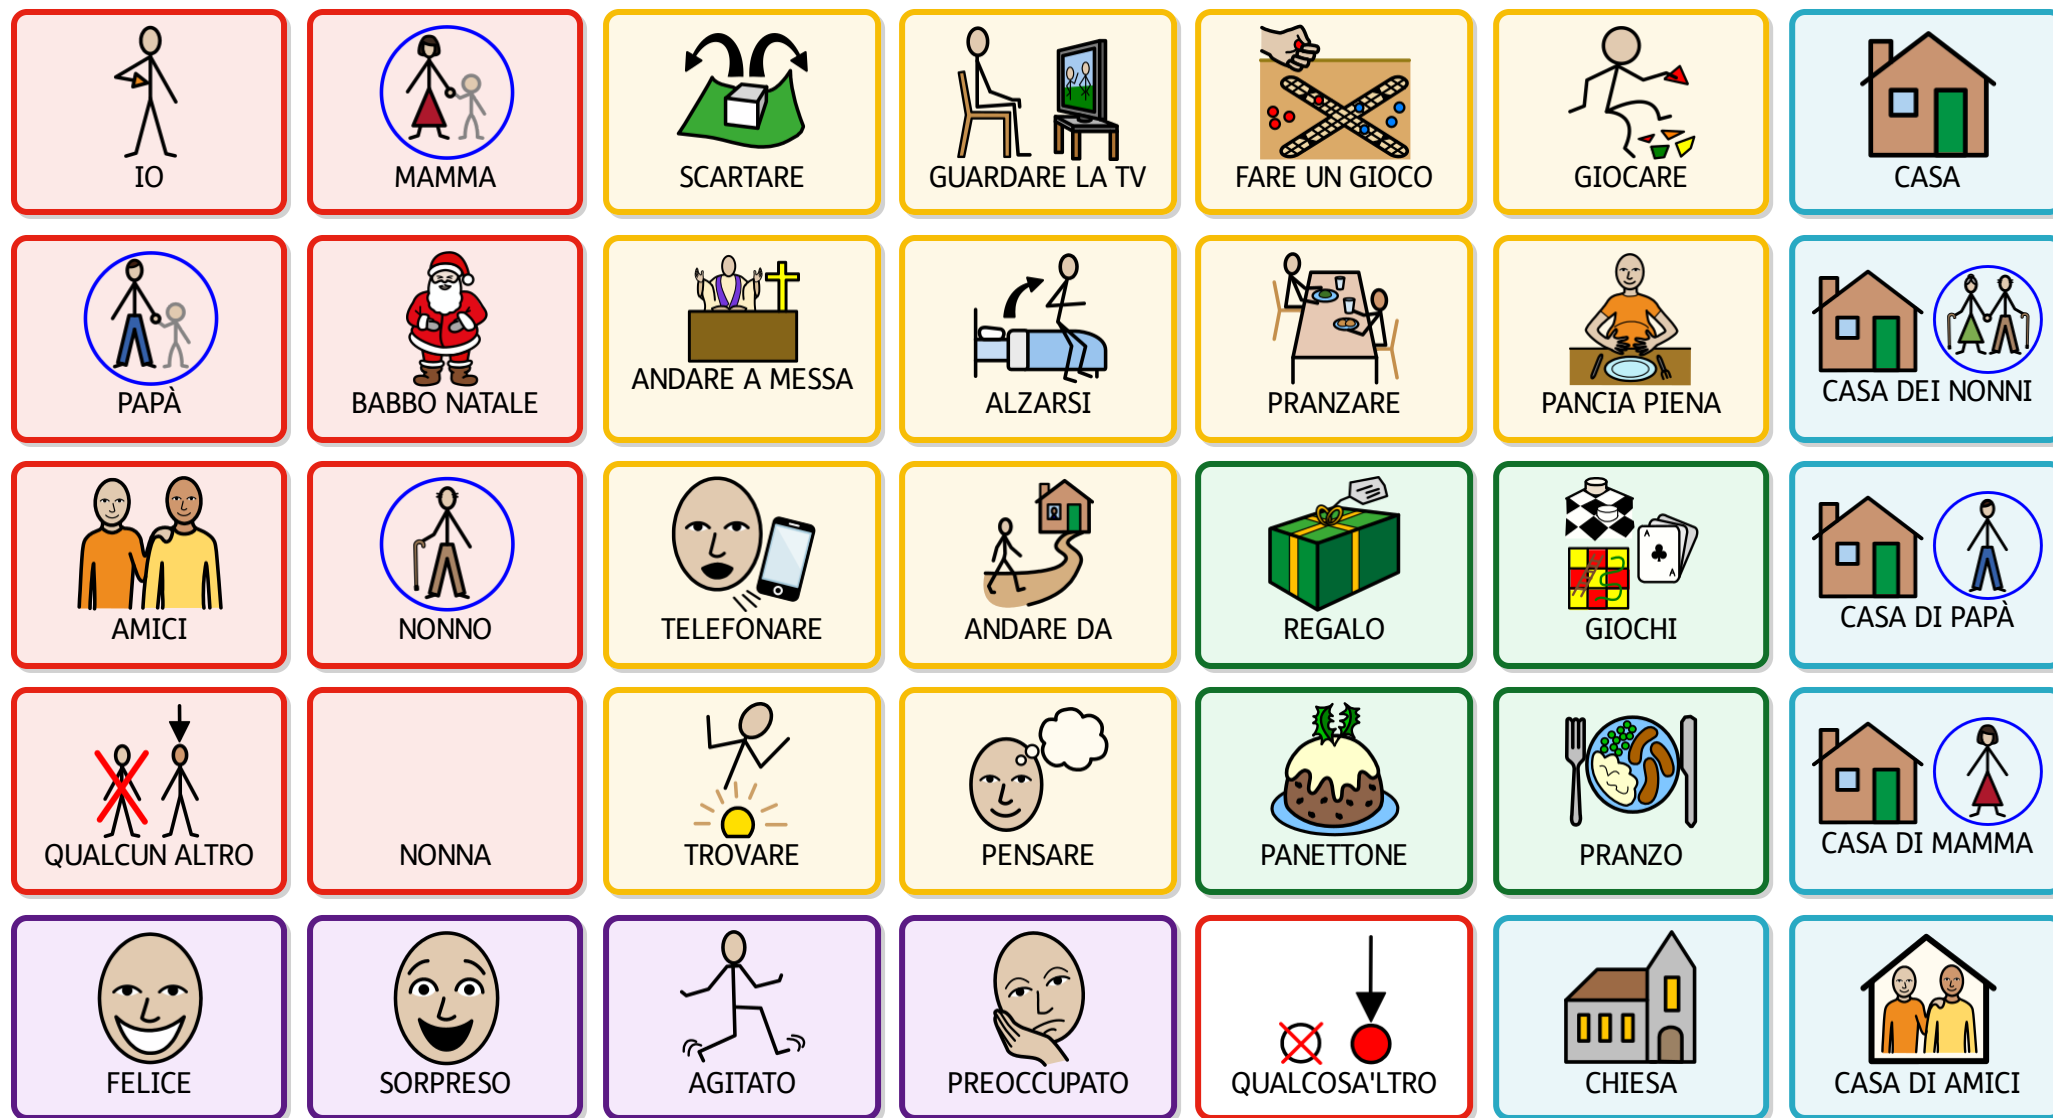

Ritaglia e plastifica le **Flashcard** e applica del velcro sul retro.  
Potrai così organizzare le parole in base alle **Schede tematiche** suggerite  
o crearne delle nuove.

Puoi trovare anche delle **Tabelle di comunicazione** già pronte  
da usare durante le feste.
