

Una delle prime attività giornaliere che si fanno alla scuola dell'infanzia è quella di comporre insieme ai bambini il **"Calendario giornaliero"**.

L'idea parte proprio da qui, realizzare un calendario il più completo possibile.

In questa risorsa troverai:

- **la data**
- **il compleanno**
- **la stagione**
- **il meteo**
- **gli abiti da abbinare a seconda delle previsioni del tempo**
- **"oggi e domani" si viene a scuola o si sta a casa**

OCCORRENTE

È necessario disporre di: stampante a colori, forbici, plastificatrice, velcro (maschio e femmina), un cartellone bristol del colore che vuoi e della colla molto adesiva per attaccare i piccoli pannelli plastificati sul bristol.

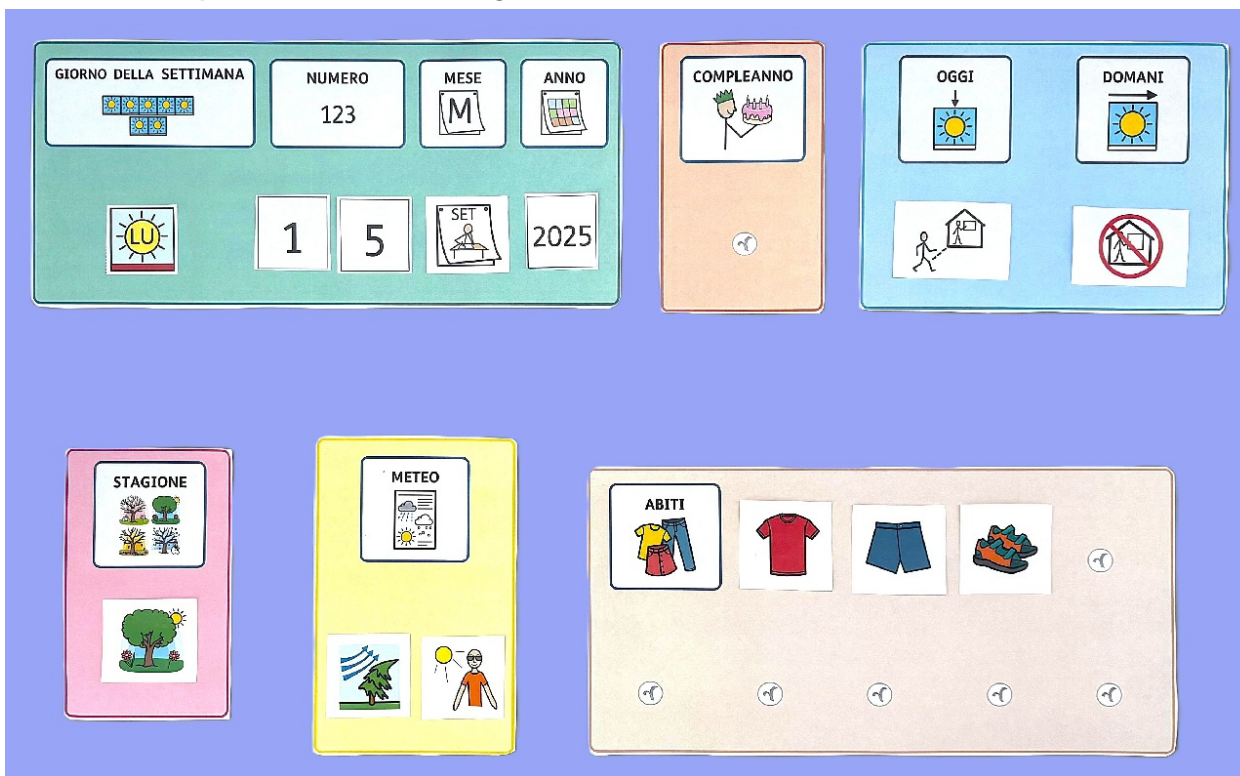

PROCEDIMENTO

Ritaglia, plastifica ed applica il velcro dove indicato e dietro ad ogni flashcard. Puoi scegliere se utilizzare le flashcard con simboli e testo oppure solo simboli, a seconda dell'età dei bambini della tua sezione. Scegli dove riporre le singole flashcard suddividendole per categorie (data, compleanno, oggi e domani, stagione, meteo ed abiti); puoi utilizzare delle scatoline o delle buste da lettera di plastica e sopra a ciascuna di esse applicare una flashcard della categoria inerente.

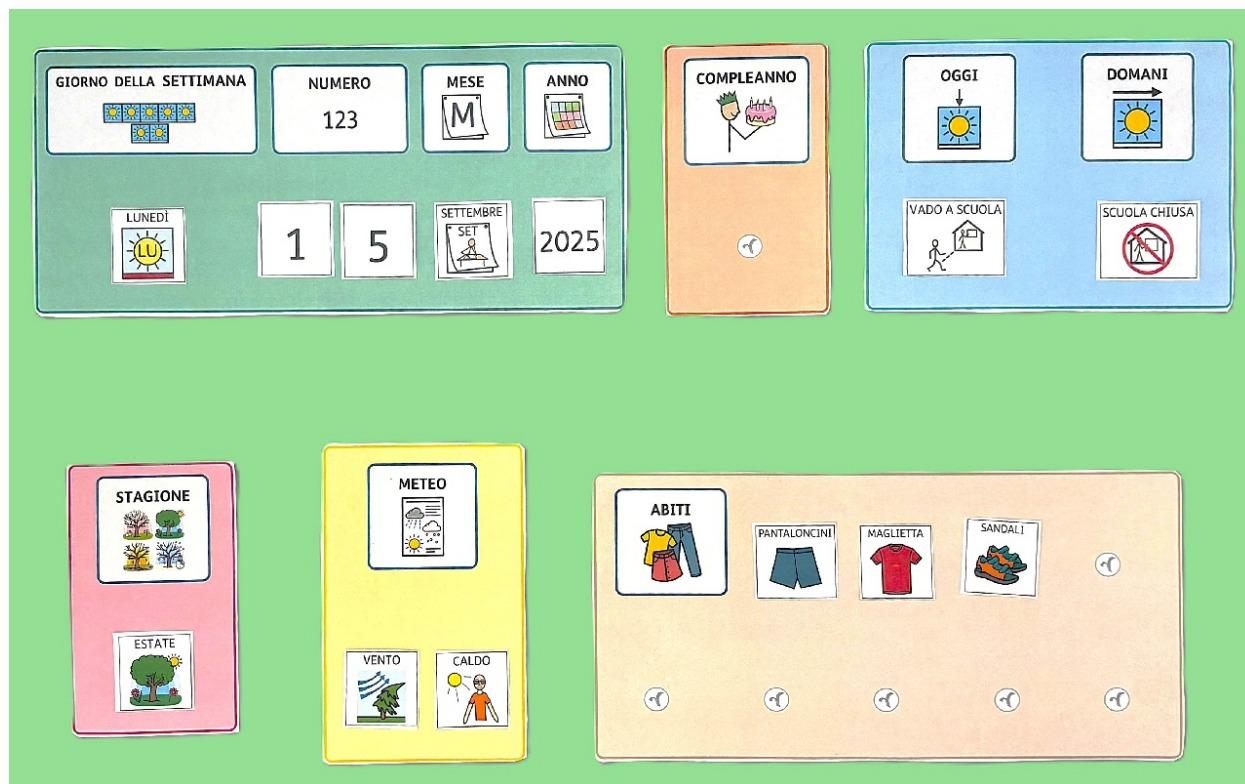

Esempio di "Calendario giornaliero" con solo Simboli senza testo.

Componi il tuo "Calendario giornaliero" come vuoi!

Buon divertimento!
