

MEMORY

Prima di giocare

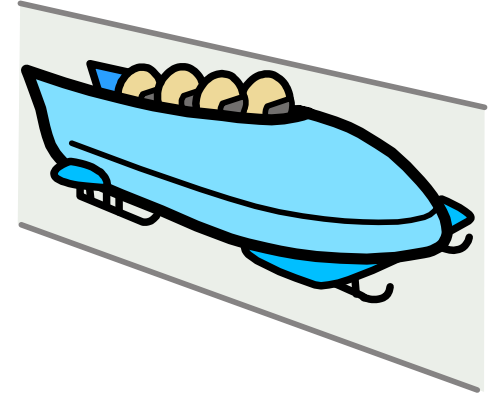

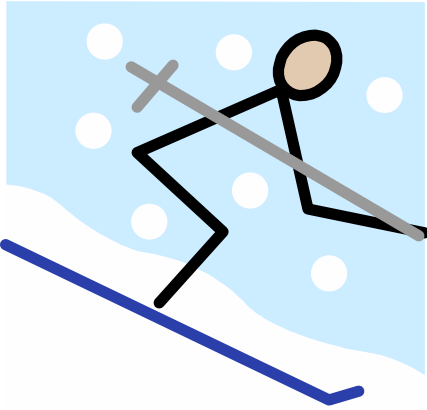

Stampa le pagine 2-3, 4-5, 6-7, 8-9, 10-11 e 12-13 fronte/retro, in modo che le carte siano decorate nella parte posteriore.

Plastifica e ritaglia ogni singola flashcard.

Puoi modificare i simboli delle flashcard e aggiungerne altre usando InPrint!

Siamo pronti a giocare!

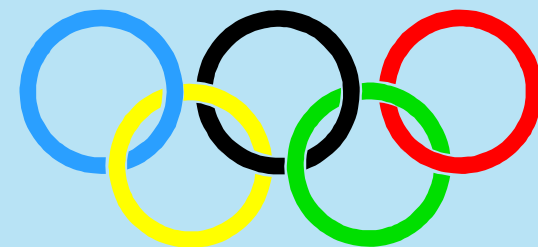

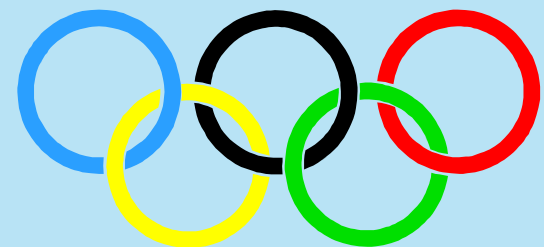

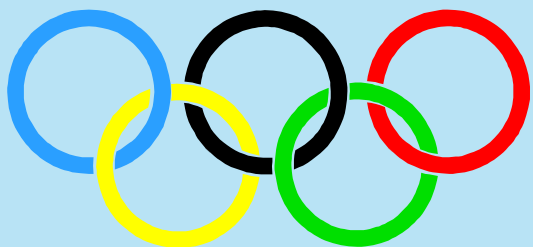

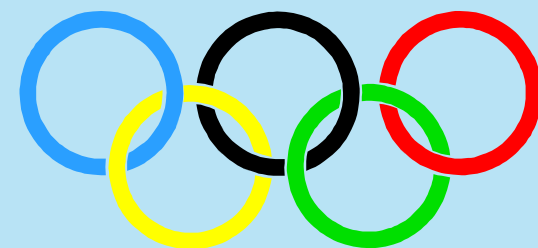

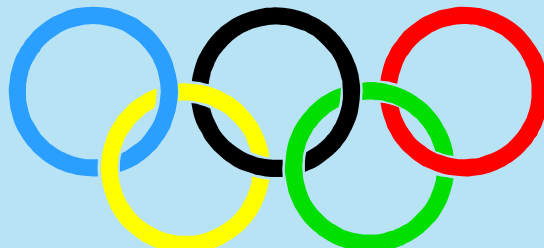

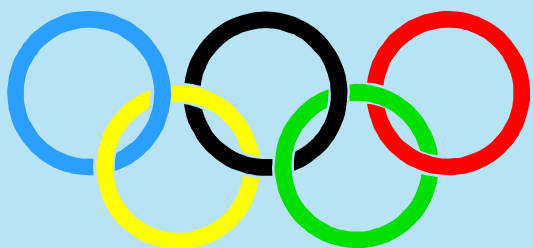

Gira le carte a faccia in giù sul tavolo, a turno gira 2 carte a testa e cerca di trovare la coppia corrispondente SIMBOLO-PAROLA. Se non è stata trovata una coppia corrispondente, le carte vengono rimesse a faccia in giù e la persona successiva gioca il suo turno. La persona con il maggior numero di coppie corrispondenti alla fine del gioco è il vincitore.
